

# Spring & Summer 2009 Coach License Clinics

In most cases, you will be the new player's first "teacher." Your role is critical to the future development of each player's skills and their attitudes towards sportsmanship in the game. **Northshore Youth Soccer Association (NYSA) requires that every coach attend their age-appropriate coaching certificate or license.** All required coaching certificates and licenses are 100% funded by NYSA. NYSA Member Coaches who complete a course will not be charged for the cost of the clinic. However, NYSA coaches who sign up and do not complete the course will be charged.

Any coach intending to coach U-11 and above must hold a minimum of an "E" license. In addition to coaching, it is your responsibility to control your sideline during games, and to stress sportsmanship to your parents and players. Your coaching will follow the Laws of MODIFIED Developmental soccer and remember that "This game is for the children; let them learn and play, but above all...let them have fun!"
